

TENNESSEE STRUCTURAL ENGINEERS ASSOCIATION
2013 STATE CONVENTION
Sheraton Music City Hotel
777 McGavock Pike
Nashville, Tennessee
November 14th & 15th, 2013

Once again as you have hopefully seen, the TNSEA has recently announced our Second Annual State Convention to be held on November 14th and 15th at the Music City Sheraton near the Nashville International Airport. The first day of the convention will include the State Board of Directors Meeting as well as several State Committee Meetings. The second day of the convention will provide attendees the opportunity to earn at least 5 professional development hours with approximately 8 presentations in which to choose. In addition to the technical sessions, there will be an exhibit hall where attendees can interact with vendors at designated times throughout the day. The convention is something that benefits not only the individual engineer, but also enhances the knowledge and performance for their employers. Attached you will find the schedule format and a list of confirmed speakers.

If you are interested in attending, please register via [Attendee Registration Form](#). If you require assistance in completing the electronic [Attendee Registration Form](#) please send any questions you may have to convention.tnsea@gmail.com. If you are interested in being a sponsor (corporate or print level) and have not signed up to do so, you can register via [Corporate Sponsor Application](#). Completed forms along with payment must be received no later than October 21, 2013. Please note that the sponsorship fee is non-refundable.

Thank you very much for supporting the Tennessee Structural Engineers Association and we look forward to your attendance.

Sincerely,

Stephen Cotton, PE, SE, LEED AP BD+C
TNSEA State Convention Sponsorship Subcommittee Member
